Consultant Anesthesia and
Interventional Pain Medicine
Abu Dhabi, UAE

Dear Colleagues

It gives me a great pleasure to announce the 1st Cadaver Workshop on Regional Anesthesia which will be held on 30th of October 2022 in the Anatomy Lab of Gulf Medical University, Ajman, UAE.

The first part of the workshop topics, 27-29, October will include comprehensive aspects of care and management of chronic pain using interventional pain procedures and regenerative medicine.

On the 30th of October, there will be a state-of-the-art program for Regional Anesthesia Ultra Dissection on Cadavers showing upper and lower limb injections along with truncal & facial plane blocks.

This workshop is a result of fruitful collaboration with Madrid University and MOMaRC group led by Professor Mario Farjardo.

Looking to seeing you soon.

Dr. Mario Fajardo Pérez
CEO of MoMaRC and UltraDissection Group
Anesthesiologist, Department of Anesthesia
Hospital Universitario de Móstoles, Madrid, Spain
